

THE HONDO ANVIL HERALD.

HONDO, MEDINA COUNTY, TEXAS, SATURDAY, JUNE 7, 1924.

VOL. 38. No. 45

LOCAL AND PERSONAL.

You said it! Subscribe for FARMING, Hondo's monthly. Get this paper together only \$2. The green corn season is at hand. Too much loafing is not good farming.

Farmers are still complaining of grasshoppers. Farm and Road Wagons in stock Eugene Huesser's.

For tombstones of any sizes or prices, see Emil Britsch. Mr. and Mrs. L. E. Heath spent today in San Antonio.

Most of our pretty school ma'ams away at summer school. Attorney V. H. Blocker was a business visitor to San Antonio Wednesday.

For Sale, 160-acre farm near town a bargain. Apply at The Anvil Herald office.

Mrs. Sadie Hutzler left the middle of the week for a visit with relatives in San Antonio.

You are missing a treat if you are not reading the Brown Mouse FARMING.

Miss Bess Brucks left Friday morning for Austin where she will attend summer school.

Mrs. Snoddy and daughter, Miss Ellis, are here from Dallas visiting M. H. Muennink.

Otis Schuehle, son of Mr. and Mrs. Schuehle, was a passenger to San Antonio Thursday.

Ladies are afraid of mice—but you will love the Brown Mouse. Now running in Farming.

Earl Lacy came in Tuesday from M. College where he has been student for the past term.

FARMING will soon begin a new trial—send us a quarter and get the numbers containing the story.

Mrs. Joe Reynolds and children in San Antonio are the guests of Mrs. Bessie Reynolds and Mrs. L. Brucks.

Miss Irma Haegelin returned Wednesday from Our Lady of the Lake college where she had been a student the past year.

Miss Marie Foster, who is to be June bride, was the honoree at a shower at the home of Mrs. O. A. last Friday evening.

George Windrow is back from Galveston where he has been pursuing course in pharmacy at the medical ranch of the State University.

Capt. Eugene V. Behan spent last week-end here with Mrs. Behan and the children, who are the guests of Judge and Mrs. Ed de Montel.

The Brown Mouse is a delightful story for the summer reading. Send a quarter for all the back numbers of Farming containing the story.

Misses Dee Crow, Hettie Fusselman and Amanda Smith were among those who left here Wednesday for San Marcos to attend the Southwest Texas Teachers College.

A jewelry auction is in progress at V. A. Crow's jewelry store, and some rare bargains are being secured. A number of free prizes are being given away in connection with the sale.

Fruit Jars, Holloway Bros.

FOR SALE—The Leader Millinery Store. Price reasonable. tf.

Mrs. E. A. Parsons sends the paper this week to her daughter, Mrs. R. B. Cosgrove, at Phoenix, Arizona.

Albert Hutzler and Elmer Neuman are gathering the coin of the realm in Frank Cockrell's road construction camp these days.

Mr. George Cameron returned from the Jackson sanitarium in San Antonio Tuesday. He remains quite indisposed and his condition is causing the people of Hondo some uneasiness.

Carload shipments for the past week totaled eighteen loads, nine in and nine out, as follows: Outbound, 6 cars corn and 3 of live stock; inbound, 5 cars of live stock, 1 of lumber, 1 of cement and 2 of flour.

Mrs. A. J. Hutzler and daughter, Mrs. Milton Batot, had a narrow escape from an auto accident a few days ago. They were driving on the cemetery road when they lost control and went into the ditch. A friendly post kept the car from turning turtle and both escaped without injury but they got the scare of their lives.

Prof. W. N. Saathoff has been feasting on Elberta peaches out of his own orchard this week. Mr. Saathoff has a two-year-old tree that bore a nice crop of fruit. They have ripened earlier than is usual with Elbertas, but judging from the sample left by him at this office their earliness has detracted nothing from their appearance, quality and lusciousness.

W. F. Miller who runs the water-works finds time on the side to follow his hobby of gardening and this year has as fine a crop of snap beans as one could wish to see. Thinking that the editor is as hungry as he looks, Mr. Miller favored him with a nice mess of these beans Thursday—and for a while thereafter the editor felt much better than he ever looks, and for a time forgot to worry over the high cost of living.

Cards from Edgar and Andrew Sprout to the Anvil Herald bring the information that they are having a delightful time in the hill country around Fredericksburg where they have been visiting.

Let the Anvil Herald follow you on your summer vacation or to your summer school—"a letter from home" each week for three months for only forty cents.

Prof. W. N. Saathoff sends the Anvil Herald to his daughter, Miss Irene, who is teaching violin at the Rothe Studio in San Antonio.

PLEATING, BUTTONS, BUTTON holes, any size, Hemstitching and Picotting. Jennings, local representative, Mrs. H. B. Houston. tf.

Screen out the mosquitoes. Roasting ears!

Prof. J. D. Howell left Thursday for Taft, Texas, where he will teach next term. After his arrangements there are completed, he will go to the University where he will pursue a special course of study for the summer. Mr. Howell has made many friends here during the last five years, all of whom regretted to see him leave.

In the discussion at Tuesday night's meeting of the Hondo Chamber of Commerce the fact was brought out that the purchase of a time clock and its use by the night-watchman would reduce Hondo's insurance rate five cents on the hundred dollar's valuation. The clock could be installed for \$60.00 and kept up for very little thereafter. By all means, Hondo should install this clock.

The Hondo Actees extracted two of the claws of the Tobin Hill Tigers of San Antonio last Sunday. The morning game went to the Actees by a score of 10 to 1. In the afternoon game the Tobin Hill Tigers showed up strong but the big end of the score went to the Actees by 3 to 2. The Botica Grandes of Dilley will be here tomorrow for a scrap with the Actees. This is the strongest team the locals have tackled this season and a good game is anticipated. Manager Barrientes of the Actees says that unless the games are better patronized the team will have to retire from the field. The team has been playing first class ball and it would be a pity if it disbanded for want of funds. The team is playing the game strictly for the sport, and have no other way of paying expenses save by the gate receipts, it takes money to bring teams here from other towns and it seems they should be given sufficient support to pay actual expenses at least.

A dog severely lacerated the face of Billie, the little daughter of Mr. and Mrs. C. M. Merritt, Thursday. The teeth of the dog penetrated the right cheek of the little girl, the lower teeth through the lower cheek, the upper teeth being imbedded in the left cheek just below the eye. The lower left eye-lid was somewhat lacerated. We understand the death warrant of the dog has been signed but we are not advised as to whether or not execution has been carried out.

Mr. and Mrs. Mimke Muennink and Mrs. Ira Schmidt and little son, Charlie, returned Wednesday from an auto trip to Dallas and vicinity. THE CO-OPERATIVE REVIVAL

Great congregations are attending the revival that is now being conducted at the tabernacle on College Square. Seats are provided for hundreds of people and on Wednesday night nearly every seat was taken.

More seats will be added as attendance increases. All the people of Hondo and surrounding communities are cordially invited to attend this meeting. Dr. Powell is by token a great preacher; a man of God, and a Christian gentleman. You will be helped by his message.

Mr. Val Allbritten, the singer, indeed a great choir director, as the people are highly pleased with his solos. He indeed sings the gospel. Mr. Allbritten has organized a junior choir composed of a great number of Hondo boys and girls. You will be delighted with the singing.

Dr. Powell is preaching this week on two great themes. At ten o'clock each morning his general subject is "Christ Is All" at the evening his subject is "Sin"; sin in all its phases. Subjects for next week will be announced later.

If the Mexican and negro population of this community can furnish their seats a place will be provided for them to attend this meeting.

I mention the necessity of furnishing their own seats for the simple reason that we are now using and will use every chair and bench we can find in the town.

ANOTHER MEDINA COUNTY BOY TO BE SOLDIER.

Fort Sam Houston, Texas, June 1st (Special):—Add the name of one more far-sighted Medina County youth to the scroll of patriots, for the application of Mr. Manford Milan Burgin of Hondo, Texas, for admittance to the Citizens' Military Training Camp to be held at Fort Sam Houston, Texas, during the month of August, was approved today by the Commanding General, Eighth Corps Area.

The Eighth Corps Area is rapidly forging ahead of other Corps Areas in the matter of securing applications for the Summer Training Camps and with two more months to go only eleven hundred applications are needed to put the Corps Area over the top for complete quotas. This task should not be as stupendous as it might appear, for during the past week over one thousand applicants have been accepted for the summer camps in this Corps Area, the figure now being about 3200 out of a maximum quota of 4,300.

Allocation of students to the various camps to be held in the Corps Area to date gives Fort Sill the lead with over eleven hundred students, Fort Sam Houston running a close second with over 900, Fort Logan 450, Fort Huachuca 250, and Camp H. T. Jones in the neighborhood of 150. At this rate of progress there is little doubt but that the 1924 training camps will be the largest ever held in the Eighth Corps Area.

Comparative figures issued by the Adjutant General of the Army last week showed the Eighth Corps Area well down the list of Corps Areas on returns for the recruiting of young men for the camps, but the remarkable gains the past week have changed these statistics completely and place this Corps Area close to the top. That the interest in these camps is increasing rather than decreasing is proven by the number of applications received at Corps Area Headquarters daily, and it is plain to see that the young men of the country are beginning to realize that a month's vacation at Uncle Sam's expense, with all the advantages that these camps offer, is something worth snapping up.

The War Department is insistent in pointing out that the summer camps are not to promote a spirit of militarism, but to teach the value of healthful, outdoor exercises, discipline and respect for duty, and at the same time provide the country with a reservoir of trained men in case the country is called upon to defend its honor against an invader. To this end every step will be taken during the period of the camps to safeguard the moral and physical well-being of the students so that when they complete the course they will have gained everything and lost nothing.

JOE WEBER DEAD.

Thursday's San Antonio Express contained a brief announcement of the death in San Antonio on Wednesday, June 4, 1924, of Joseph Weber, an old citizen of Medina County.

Joseph Weber, aged 76, died at the residence of his daughter, Mrs. William Koch, 229 Paso Hondo Street, San Antonio, Wednesday afternoon. He was a native of San Antonio but lived in Hondo for many years where he was engaged in the stock raising and farming business until he retired two years ago. He went to San Antonio for medical treatment three weeks ago.

He leaves surviving him two sons, Emil and William Weber, both of Hondo; four daughters, Mrs. E. Brown, Mrs. William Koch, both of San Antonio; Mrs. Chas. Graff of Hondo, Mrs. Alfred Hutzler of Castroville; 11 grandchildren, two great grandchildren, two sisters, Mrs. Pauline Tondre of Castroville, Mrs. Emma Gullie of Hondo, and one brother, Ollie Gullie of Mathis.

The body was taken to Castroville Thursday afternoon, and interment made in the Catholic cemetery Friday afternoon. Mr. Weber was preceded in death several months ago by his wife.

A good man and an upright citizen has gone to his reward. May he rest in peace.

FARM LOANS.

The Hondo National Farm Loan Association, H. E. Haass, Secretary-Treasurer, Hondo, Texas, representing 176 borrowers, with \$688,480 borrowed, is prepared to make farm loans anywhere in Medina County under the Federal Farm Loan Act at 5 1/2 per cent interest and 1 per cent 33 year amortization repayment plan. Thirty-three thousand Texas farmers have taken advantage of this system of borrowing over ninety million dollars. Why not you? You may borrow for any purpose provided for in the Act, as a farmer only.

SATURDAY, JUNE 7, 1924.
TO BUY FIRE ENGINE.

At a called meeting of the Hondo
Chamber of Commerce and citizens
interested in better fire protection for
Hondo, held at the Chamber of
Commerce hall Tuesday night, A.
G. Walker reported for the commit-
tee appointed to investigate fire
fighting apparatus that the committee
had visited a number of places and
inspected various equipments for fire
protection. After mature delibera-
tion, the committee recommended
that a pump of 350-gallon-per-minute
capacity be purchased.

Mr. Sims of the firm of Sims &
Burke, San Antonio, and Mr. Ray,
representing a Houston firm, were
present and each submitted an offer
to the fire company.

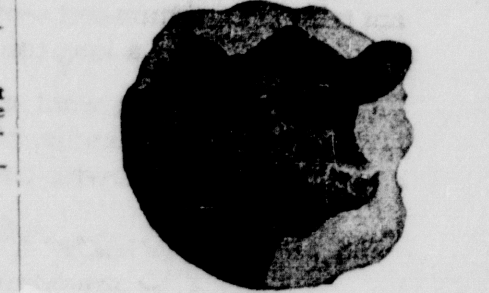

It was decided on vote of the as-
semblage that only a proposition call-
ing for a 350-gallon pump be con-
sidered, and both propositions sub-
mitted provide for such a pump. It
is to be mounted on a Reo Truck
chassis, is to carry in addition a forty-
gallon chemical tank, a thousand feet
of hose, and other necessary para-
phernalia, making the equipment a
very efficient fire-fighting machine.

On motion of Judge Haass, sec-
onded by Joe Ney, the committee
that has had the investigations in
charge was instructed to take the
two propositions under consideration
and, after careful comparisons of
specifications, was empowered to pur-
chase the one that in the committee's
judgment was the best buy. That
the committee is giving the matter
careful consideration is attested by
the fact that the final purchase has
been deferred until next Wednesday.

The equipment decided upon comes
pretty high and there is not quite
enough cash available in the fire
department funds to pay cash for it.
But the equipment will be first class
in every particular. It will afford
Hondo protection far better than any
thing we have ever had. And we
are assured that the installation of
this equipment will assure Hondo of
a 9-cent reduction in its insurance
key rate. This saving alone will
soon pay for the entire outfit, to
say nothing of the saving to the
town in the event of a fire. So if
you are asked to raise your sub-
scription, remember it is an invest-
ment and not a contribution and
come across. Any one who has not
yet contributed to the fund should
see Joe Ney or E. W. Lacy at once
and help your neighbors help you
protect your property.

IT PAYS TO RAISE GOOD STOCK.

For several years J. J. Russell has
bred the Aberdeen-Angus cattle
down on his Hondo farm, and we
knew that they were a popular breed
and mighty pretty cattle. But with
cattle selling at the present low prices
generally we were surprised to see

the returns on two cows sold on the
market at San Antonio May 20th.

One 10-year old cow weighed 960
pounds, sold at 6 1/2c and brought
\$62.40.

The other, a 4 1/2 year old cow,
weighed 1310 pounds, sold at 7 cents
and brought \$91.70.

These were top prices for that day,
and goes to show that the blackies
are popular with the buyers.

NOTICE TO STOCKMEN.

If you expect prompt service when
shipping cattle to Native Yards or
otherwise, or trucking and driving
out of this County, please notify me
two or three days ahead, as all local
inspectors are very busy now and I
am called away a great deal of my
time.

Respectfully Yours,
H. F. WURZBACH,
Inspector L. S. S. Commission of Tex.

OBITUARY.

Mrs. W. E. Newton was born
January 11, 1850, in Henry County,
Tennessee. Shortly after her birth
her parents moved to Texas and
lived for several years near Weather-
ford in Parker County. About 1864
her parents moved to Bexar Coun-
ty and later to Atascosa County.
Here she grew to womanhood and
became the wife of W. E. Newton.
Since 1881 she had lived in Medina
County.

When about sixteen years of age
she was happily converted and joined
the Methodist Church and was a
faithful and devout member of that
church until called to join the Church
Triumphant. The call came May the
13th, 1924.

Sister Newton's home was by every
token a Christian home. She was
the mother of eleven children, four
of whom have preceded her to the
heavenly home. Seven children liv-
ing; all grown to manhood and
womanhood; all members of the
church and active in church life.

During her many years of intense
suffering, she was patient, bearing
her affliction without murmur or com-
plaint; but she is now in the land
where there comes no sorrow, pain
nor death.

I have never known a better order-
ed Christian home than this home.
It was a home of prayer, and as
pastor of this Godly woman and
sweet and saintly mother, I have
been helped and blessed by each
visit in this home.

May our Father's blessing be up-
on the children left behind, and may
his grace continue to sustain them
in their effort to live the Christian
life so that when the end shall come
to them they may be reunited in
one great family in the Home of the
good and the pure. She has left
a rich heritage of a clean and blame-
less Christian life, and now that she
has gone from the walks of men
there is no sort of doubt as to where
we shall find her.

Her Pastor,
A. M. FOSTER.

BALEN-BOHLEN WEDDING.

Last Wednesday afternoon at
about 2 o'clock Mr. Walter G. Balen
of the Sturm Hill community and
Miss Velma Bohlen of Hondo quietly
motored to Bethlehem Lutheran
church at Quibi and were united
in marriage by Rev. C. P. Hasskari,
pastor of the church. The beautiful
double ring service was used, and
though this does not add weight it
does add solemnity to the sacred
obligations assumed by the groom
and bride. The bridal pair came
to the church prepared to make a
journey and stated, when leaving the
church, that they would go im-
mediately to San Antonio and pos-
sibly might visit points beyond that
city before coming home to start
housekeeping. Mr. Balen is the son
of Mr. and Mrs. Herman Balen and
is a product of the Sturm Hill com-
munity and is well known and re-
spected as a young man of excellent
character and manly ambitions.
Miss Bohlen, the beautiful bride, is
the daughter of Mr. and Mrs. Henry
Bohlen of Hondo and enjoys the
esteem and friendship of all who
know her. Both the groom and
bride are members of the Quibi
Luther League and are entitled to
a For-get-me-not, which doubtless
will be presented to them shortly.
Upon their return from their wedding
trip the young couple will make their
home for the present with the parents
of the groom at Sturm Hill and later
on establish their own home and
fireside.

Hall's Catarrh Medicine

Those who are in a "run down" con-

good health. This fact proves that while
Catarrh is a local disease, it is greatly
influenced by constitutional conditions.

A SURPRISE PARTY.

A very pleasant surprise party was
given at the home of Mr. and Mrs.
Jacob Fohn on Saturday night, May
31st, honoring their son, Clarence,
on his nineteenth birthday.

Those present were: Mr. and Mrs.
Jacob Fohn and family, Mr. and Mrs.
Gus Mann and family, Mr. and Mrs.
Desera Mann and family, Mr. and
Mrs. Henry Barth and family, Mr.
and Mrs. Frank Martin, Mr. and Mrs.
Emil Barth, Mr. and Mrs. Louis
Neumann and family, Mr. and Mrs.
Herman Oefinger and family, Mrs.
August Neumann and family, Frieda
and Ida Reitzer, Bess and Effie
Wheeler, Lela, Alice, Bertha, Ella,
Lillie and Irene Neumann, Nora and
Bess Saathoff, Gertrude Sauter, Lou
Evans, Fern, Lorine, Julia and
Evelyn Mann, Ida and Rosa Senne,
Esther Hartman, Nola Oefinger,
Alma De Grodt, Otto Reitzer, Frank
Hartmann, John and Arnold Lein-
weber, Ed and Leslie Saathoff, Mil-
ton, Clarence, Elmer, Horace, James,
Edward and Jack Fohn, Homer
Laughinghouse, Oscar Sauter, Ed and
John Martin, Wm. F. and Tommy
Neumann, Louis Guca, George and
Edwin Sauter, Louis Senne, Theodore
Barth, Emil Leinweber, Vincent
Haass, Horace and Wesley Mann,
Clarence and Raymond Barth, Earl
Oefinger, William Wheeler, Anton
Heilgmann and Raymond, Harry,
Milton and Clarence Neumann.

The evening was delightfully spent
in dancing. At midnight cake and
punch were served to the crowd,
and dancing was kept up until a
late hour after which everyone de-
parted for their homes wishing
Clarence many such happy birthdays.

CALOMEL GOOD BUT NEXT DOSE MAY SALIVATE.

It is Mercury, Quicksilver, Shakes
Liver and Attacks Your Bones.

Calomel Salivation is horrible. It
swells the tongue, loosens the teeth
and starts rheumatism. There's no
reason why a person should take
sickening, salivating calomel when a
few cents buys a large bottle of
Dodson's Liver Tone—a perfect sub-
stitute for calomel. It is a pleasant
vegetable liquid which will start your
liver just as surely as calomel, but
it doesn't make you sick and can
not salivate.

Calomel is a dangerous drug, be-
sides it may make you feel weak,
sick and nauseated tomorrow. Don't
lose a day's work. Take a spoon-
ful of Dodson's Liver Tone instead
and you will wake up feeling great.
No salts necessary. Your druggist
says if you don't find Dodson's Liver
Tone acts better than treacherous
calomel your money is waiting for
you.

IMPROVING PECANS AT LEAKY

Last Tuesday, May 20th, ten of
the leading pecan growers of the
Leaky community met with the
Uvalde county agent in Frank
Heath's grove just south of town
for a budding demonstration. Two
or three hours were spent in the
grove budding and studying methods
of improving native trees.

800 buds distributed through the
community and work continued the
balance of the week. Several
groves already have a few budded
trees and the end of the season will
find this number considerably in-
creased.—Sabinal Sentinel.

Friends of Captain Charles de
Montel will be pleased to learn that
he is making good recovery from the
injuries he received a few weeks
ago when he was kicked by a horse,
on his ranch near Camp Verde. Se-
veral ribs were crushed, and for a
time he was in pretty bad shape, but
is now on the high road to recovery,
and we are all hoping he will be
able to attend the Old Settlers' Re-
union in July.—Bandera New Era.

WITH THE DRILLERS.

Indications point to a great deal of activity among the drillers in the immediate future, no less than four new wells to be spudded in during the month of June.

The Ina Oil Co. will spud in No. 1, on the east side of the river, near where the Schmidt fence crosses the river; the Ina Oil Co. will spud in on the west place, the Ina Co. will spud in on the Neuman place. These last two wells will be some distance from the present Ina wells. Dr. O'Brien will spud in No. 2, in proximity to his No. 1. These tests will thoroughly test the territory both the north and south of the wells. Dr. O'Brien's location being a little southwest of the Ina wells. There are rumors of other exploration work to be started soon, as far as we are advised, no definite locations have as yet been made.

The Ina Company moved their rig from No. 3 to the Smith-Donaldson last week and started the well last Sunday about noon. The Smith-Donaldson Company, for the lack of funds, had to abandon their work when they had reached a depth of 720 feet. The Ina Company will now complete the well, which should be accomplished by the end of the present week, as they could penetrate the oil sand at about 950 feet.

Work on the home company well on the Ward tract is still shut down, waiting on repairs to the boiler, which is being rushed with all possible speed, and work will doubtless be resumed by the first of the coming week. This well should be completed by the middle of the present month.

The drill of the Witherspoon Oil Co. is on its downward course on the Noonan et al tract on the High Street north of Devine. As the test is headed for the Edwards it will possibly be towards the end of the month before the interesting stage of this enterprise is reached.

The Williams well on the Moebius tract is encountering considerable difficulty owing to caving. This well, less than 500 feet, has developed considerable gas pressure, which is regarded as very favorable by oil men.

Meanwhile leasing is active, new sections showing up every day, and indications point to a great deal of drilling and systematic work during the summer months.

PIANO RECITAL.

Mrs. F. S. Cockrell presented her music pupils in a piano recital at the auditorium Friday evening of last week. Music lovers were given a rare treat and the pupils gave evidence of splendid training by an accomplished artist, the work of the tiny tots being especially noteworthy.

At the conclusion of the program, Prof. W. N. Saathoff, on behalf of Mrs. Cockrell, presented certificates of merit to members of the class as follows: Mary Lois Barnes, Lucille Boon, Adele Decker, Marguerite Newton, Dorothy Moffield and Irene Haass. Annie Leah Brucks was presented a gold pin for punctuality, she not having missed a lesson during the term.

Mrs. O. A. Fly, Mrs. W. H. Smith and Miss Lillian Brucks were appointed judges and at the conclusion made the following awards for the best performance: Rhoda Mae Taylor, a gold pin for best performance; Miss Gertrude Harris, second mention; and Dwyce Cameron, 3rd.

The commodious stage was beautifully decorated for the occasion by Roberta Hudspeth and a committee of assistants and afforded a most fitting setting for a beautiful and successful event.

BLACK CREEK DISTRICT NO. TWELVE School No. One (P. O. Devine, Texas.)

From Directory, Medina County Public Schools.

Black Creek School is located in Medina County, six miles west of Devine, a town of about two thousand inhabitants. Being located at the intersection of the Devine-Yancey and Hondo highways makes it a very desirable location.

The district which supports the school contains about thirty square miles of territory.

There are a great variety of soils to be found, such as sand, sandy-loam in the southern portion, and the darker, heavier soils in the northern part. Cattlemen find the hills along the western boundary suitable to grazing.

As in most rural communities, the majority of the patrons are farmers. Cotton, corn and other grains are grown with success. This country is especially suited to broom corn, which has been known to yield as much as fifty dollars per acre and sometimes more. Other farmers depend wholly upon turkeys for their livelihood. Several farms are equipped with high wire pens, while other raisers depend upon herders to keep their flocks together.

Some of the farm houses are as modern as will be found in any com-

munity, while a few need repairing. These homes are connected by telephones from either the Moore or the Devine exchange. The mail is delivered every morning by a carrier from Devine. The roads are usually good making the town only a few minutes drive. Good water is easily obtained in all parts of the country.

Until 1911 there were two schools in this district, but in that year, they were moved to the present site and united to form one building, consisting of two rooms. This building, fairly comfortable and sanitary, is located upon a four acre tract of land. Each room is equipped with modern black boards, steel book cases, globes, maps and a fairly large library for a nine grade rural school. The larger room, which is used as an assembly hall, has a piano, and a raised stage fitted with a drop cur-

tain and back ground. It is probable this building will be remodeled during the coming summer. In 1921 a thoroughly modern school was built in the western part of the district for the children who could not attend the other school.

The campus of the main school is large and is fitted with swings, seesaws, and two volley ball courts. The water supply is furnished by a well and windmill upon the school ground.

The school has tried, for the past year to have some form of entertainment twice a month on Friday night. After these programs, the Parent-Teachers Association, a strong organization of about thirty members, holds its regular meeting. This organization has done much towards buying the present equipment for the school. Other than school affairs, there are community singings, church socials and the usual round of parties. The community boasts two churches, while others in nearby towns are easily within reach of every one.

The present board of trustees, Messrs. Jim Barron, A. A. Gates and Sam Hardcastle, are very kind and considerate in supplying the needs of the schools in general.

The present teachers, Mr. Tom Duncan and Miss Clara Lester, were

employed for an eight months term, at a monthly salary of eighty and ninety-five dollars respectively. Miss Lester, the primary teacher, holds a second grade state certificate, while the principal holds a first grade certificate. Both were obtained for work done in the Southwest Texas Teachers College at San Marcos. This school for the past two years has held the loving cup for the best all round County Championship of rural schools.

This school, like all others, must improve from year to year in order to keep pace with the advancing times. Some of the needed improvements are a longer term, better heating and lighting systems, and a new or reconstructed building to conform to modern plans.

LADIES' FORTY-TWO CLUB.

Mesdames W. O. Rothe, Alice Reinhart and F. H. Schweers were hostesses to the members of the Ladies' Forty-two Club and their guests on Thursday afternoon.

A decorative scheme of yellow and white was carried out with tallies in daisy design, favors of daisies, and crystal vases of Shasta daisies adorning the centers of the tables. Yellow and white brick ice-cream, angel-food and Lady Baltimore cake iced in yellow further carried out the chosen theme.

Six tables of players assembled and after fourteen games were played it was found that Mrs. Earl Boon, Mrs. Horace Bradley, Mrs. F. S. Cockrell, Mrs. Alfred Finger and Mrs. Leo Schweers had ties for high score, and Mrs. Harry Taylor and Mrs. John Finger for low. Mrs. Harry Taylor's name was added as a new member of the club and Mrs. Eugene Vincent Behan of Fort Sam Houston, Mrs. Arthur Rothe of Seco and Mrs. Joe Reynolds of San Antonio were club guests for the afternoon. The members present were: Mesdames C. J. Schuehle, L. J. Brucks, Robert Bendele, R. W. Speece, Earl Starnes, Roy Stone, loway Bros.

Leo Schweers, R. J. Noonan, O. H. Miller, P. Jungman, L. E. Heath, John Finger, Chas. Finger, Alfred Finger, Fletcher Davis, F. S. Cockrell, Horace Bradley, Earl Boon and Felix Batot.

The hostesses for the next meeting will be Mrs. Oscar Schuehle, Mrs. Leo Schweers and Mrs. W. H. Smith.

A NEW COUNTY AGENT.

Jack Pope Forgason, a recent graduate from the School of Animal Husbandry, A. & M. College, arrived Thursday to take up his duties as County Agent to succeed C. M. Merritt who has resigned.

In addition to his technical training, Mr. Forgason brings to his new duties the practical experience gained from having been reared on a Kerr County ranch and should be a material assistance to the farmers of Medina County in improving the flocks and herds and adapting the latest scientific practices of agriculture to their local needs.

Mr. Merritt resigned his position here, after a tenure of about five years to accept a more remunerative position as agent of San Patricio County. He and his family expect to leave in a few days for their new home.
